

## Perfect Pitch Free

### Description

Want to be able to sing like Britney Spears? Then you're probably going to want to invest in Autotune.

But if you want to learn how to really sing, you first need to sharpen your ear and learn to recognize notes.

Perfect Pitch is a fun and challenging game that will train you to hear notes by ear.

To play simply tap start to hear the first note, then try to match it on the piano keyboard.

See how high you can build up your score before getting three wrongs, then submit it to our global leaderboard to compete against other players from around the world.

Learning to hear notes can take some time to the hang of, but with practice you will quickly see results and be on your way to being a better musician!
